

K-TIP

Kansas Training Information Program

Academic Year 2019

Career Technical Education

December 2020

Kansas Board of Regents

Blake Flanders, President & CEO

FOREWORD

This report was prepared in response to K.S.A. 74-32,418 which established the Kansas Training Information Program (K-TIP). Information included in this report includes number of career technical program majors enrolled and program concentrators, program graduates, students pursuing additional education/training, graduates exiting postsecondary and becoming employed, as well as the number of graduates employed and reported average and median wages.

The first section of this report presents Associate Degree and Certificate information by program for each individual institution. The second section of this report presents the same performance information by academic discipline/occupational program area. The third section of this report presents Short-Term Program Performance information by academic discipline/occupational program area.

Information presented in this report was compiled from data submitted to the Kansas Board of Regents from the individual postsecondary institutions and supplemented with data provided by the Kansas Department of Labor and the Missouri Department of Labor where available. If available, this data impacts the categories of:

- Total # of Graduates Exited and Employed
- Average Wage: Graduates Exited and Employed
- Median Wage: Graduates Exited and Employed

TABLE OF CONTENTS

Introduction	i-vi
--------------------	------

Program Performance by Institution

Allen Community College, Iola	1
Barton Community College, Great Bend.....	2-3
Butler Community College, El Dorado.....	4-5
Cloud County Community College, Concordia.....	6
Coffeyville Community College, Coffeyville.....	7
Colby Community College, Colby.....	8
Cowley Community College, Arkansas City.....	9-10
Dodge City Community College, Dodge City.....	11
Flint Hills Technical College, Emporia.....	12
Fort Scott Community College, Fort Scott.....	13
Garden City Community College, Garden City.....	14
Highland Community College, Highland.....	15-16
Hutchinson Community College, Hutchinson.....	17-19
Independence Community College, Independence.....	20
Johnson County Community College, Overland Park.....	21-23
Kansas City Kansas Community College, Kansas City	24-26
Labette Community College, Parsons	27
Manhattan Area Technical College, Manhattan	28
Neosho County Community College, Chanute	29
North Central Kansas Technical College, Beloit	30-31
Northwest Kansas Technical College, Goodland	32
Pratt Community College, Pratt	33
Salina Area Technical College, Salina.....	34
Seward County Community College, Liberal.....	35-36
Washburn Institute of Technology, Topeka	37-38
Wichita State University Campus of Applied Sciences and Technology, Wichita	39-40

Program Performance by Career Cluster/Academic Discipline

Agriculture, Food and Natural Resources	41-42
Architecture and Construction	43-46
Arts, A/V Technology and Communications	47
Business Management and Administration	48-50
Education and Training	51
Finance	52
Health Sciences	53-60
Hospitality and Tourism	61
Human Services	62-63
Information Technology	64-66
Law, Public Safety, Corrections and Security	67-68
Manufacturing	69-72
Marketing	73
Transportation, Distribution and Logistics	74-76

Program Performance by Short-Term Program

Short-Term Program Performance by Career Cluster/Academic Discipline	77-83
--	-------

INTRODUCTION

The Kansas Training Information Program (K-TIP) report includes data for all approved postsecondary career technical education programs offered by technical colleges, community colleges, the Washburn University Institute of Technology, and the Wichita State University Campus of Applied Sciences and Technology. This information was compiled from data submitted to the Kansas Board of Regents by the individual institutions. Employment and wage information is reported for program graduates who have left public postsecondary education. Supplemental employment data is provided by the Kansas Department of Labor and from the Missouri Department of Labor where available.

LIMITATION OF REPORT

The figures in this report should be considered as indicators and not as absolutes for placement and/or earnings for any given program. Average salaries and median wages are reported; actual individual earnings may be lower or higher than those published in this document. The number of responses in a given occupation and institution may be too low to draw any statistical inferences. Salary information may or may not have been available for all those reported as employed. Many other factors influence actual annual earnings, for example; average earnings will likely vary from one region to another within the state. In addition, some former students could be self-employed in established, successful businesses.

TERMS USED IN THIS REPORT

Specific terms/labels used in the report are defined as follows:

Academic Discipline - an organizing tool based on occupational/career areas that include multiple career pathways and occupational specialties. The career clusters initially developed by the States Career Cluster Initiative (SCCI) include the following: Agriculture, Food and Natural Resources; Architecture and Construction; Arts, A/V Technology and Communications; Business Management and Administration; Education and Training; Finance; Health Science; Hospitality and Tourism; Human Services; Information Technology; Law, Public Safety, Corrections, and Security; Manufacturing; Marketing; and Transportation, Distribution and Logistics. Additional information regarding career clusters can be found at <https://careertech.org/career-clusters>.

Program Name - refers to the specific career technical program at each institution. Program titles reflect the standard titles used by the National Center for Educational Statistics corresponding to CIP Codes.

Award Levels

Associate/Certificate - include programs at the following award levels:

Associate of Applied Science Degree – from 60 to 68 credit hours in length

CERTC - Technical Certificate from 45 to 59 credit hours in length

CERTB - Technical Certificate from 30 to 44 credit hours in length

CERTA - Technical Certificate from 16 to 29 credit hours in length

Short-Term - includes only programs which are:

- documented in the Kansas Higher Education Data System (KHEDS) Program Inventory,
- less than 16 credit hours in length, and
- for which an industry-recognized credential has been identified.

CIP Code - refers to the Classification on Instructional Program code which is a taxonomic scheme developed by the National Center for Educational Statistics that supports the accurate tracking and reporting of fields of study and program completions activity. Associated with each CIP code is a

corresponding title and description of the program of study. Additional information regarding CIP codes can be found at <http://nces.ed.gov/ipeds/cipcode/resources.aspx?y=55>.

Total # Declared Majors - represents the number of students who were reported as declared majors for career technical education within the corresponding program during the reporting year (July 1, 2018 to June 30, 2019).

Total # Concentrators - represents the number of students identified as technical program majors who have completed at least 12 credit hours of technical coursework in the same program area.

Total # Pursuing Additional Education - represents the number of students within the declared majors in each program area who:

- subsequently returned to the same postsecondary institution; or
- transferred to another public postsecondary educational institution in Kansas to pursue additional/advanced education or training the following school year.

This number also includes program graduates who returned to pursue additional education/training the following school year.

Total # Graduates –

- **For individual institution and academic discipline pages** - represents the number of students who completed a career technical education program and earned an associate degree or technical certificate.
- **For short-term academic discipline pages** - represents the number of students who completed a short-term career technical education program.

Total # Graduates Exited - represents the number of graduates with declared majors in each program area who left public postsecondary education in Kansas.

Total # Graduates Exited and Employed - represents the number of students with declared majors in each program area who:

- completed a career technical education program and earned an associate degree, technical certificate or completed an identified short-term technical program during the reporting year; and
- left public postsecondary education; and
- were determined to be employed (in military service, apprenticeships, or employed in the workforce) by the end of the 2nd quarter after exiting postsecondary education

Program graduates returning to public postsecondary education in Kansas are not included in this number.

Average Wage and Median Wage: Graduates Exited and Employed - represents the earnings of program graduates within the declared majors who:

- left public postsecondary education; and
- were determined to be employed by the end of the 2nd quarter after exiting postsecondary education; and
- for which salary information was available.

Wages are calculated on an annual basis as reported by students during the follow-up surveys conducted by the institution and/or reported through a review of the unemployment insurance files provided by the Kansas Department of Labor and Missouri Department of Labor as available.

SMALL-CELL PROTECTION

Small-cell protection is a comprehensive and systematic approach to data masking, required to ensure the Kansas Board of Regents is complying with existing laws on data privacy such as the Family Educational Rights and Privacy Act (FERPA) and the Higher Education Opportunity Act (HEOA).

Data masking techniques include masking aggregate and microdata with a value of less than five. In the tables appearing in this report, those cells which have been masked are marked with an asterisk.

Cells for which no data is available is denoted with “NR” for “Not Reported,” so as not to confuse them with cells which have been masked to protect personally identifiable information.

Additionally, the protection of a given cell may result in the total for a particular row also being masked with the use of a data range.

Persons with additional questions regarding the data masking techniques used throughout K-TIP are encouraged to contact our KBOR Data, Research and Planning unit by email at IRHelp@ksbor.org

Chart Legend - the following abbreviations, acronyms, and symbols are used in this report:

1. NR = No values were reported.
2. * = Small cell suppression used to protect student privacy in accordance with FERPA and HEOA guidelines.
3. ASSOC/CERT = Associate and Technical Certificate Programs
4. Short-Term = Short-Term Program Performance

Previous years’ full K-TIP reports can be accessed on the Kansas Board of Regents website:
http://kansasregents.org/workforce_development/k-tip-report

The following table represents the total number of students reported as enrolled in technical courses at each institution for Academic Year 2019.

Institution	Total # Students Enrolled in Technical Courses
Allen Community College	1,463
Barton Community College	2,847
Butler Community College	3,740
Cloud County Community College	906
Coffeyville Community College	976
Colby Community College	1,101
Cowley Community College	1,722
Dodge City Community College	718
Flint Hills Technical College	1,539
Fort Scott Community College	1,340
Garden City Community College	1,257
Highland Community College	1,872
Hutchinson Community College	5,437
Independence Community College	411
Johnson County Community College	10,871
Kansas City Kansas Community College	5,598
Labette Community College	1,124
Manhattan Area Technical College	784
Neosho County Community College	1,669
North Central Kansas Technical College	749
Northwest Kansas Technical College	693
Pratt Community College	617
Salina Area Technical College	770
Seward County Community College	1,290
Washburn Institute of Technology	2,477
Wichita State University Campus of Applied Sciences and Technology	6,190
	58,161

Academic Year 2019 Totals by Academic Discipline

JOB PLACEMENT AND EARNINGS

The data presented on the following chart summarizes the number of enrolled program majors and concentrators, number of students returning to pursue additional education/training, number of graduates, number of graduates who left postsecondary education and are employed, and the number and salaries (average and median) of employed program graduates within each Academic Discipline/Program Area.

Academic Discipline	Award	Total # Declared Majors	Total # Concentrators	Total # Pursuing Additional Education	Total # Graduates	Total # Graduates Exiting	Total # Graduates Exiting and Employed	Average Wage Graduates Exiting and Employed	Median Wage Graduates Exiting and Employed
