Kansas Training Information Program

Academic Year 2014
Career Technical Education

Republication Date: December 2015

Kansas Board of Regents

Blake Flanders, President & CEO

THE KANSAS BOARD OF REGENTS · 1925

FORWARD

This report was prepared in response to K.S.A. 72-4451, which establishes the Kansas Training Information Program (K-TIP). Information included in this report includes: number of career technical program majors enrolled and program concentrators, program graduates, students pursuing additional education/training, concentrators exiting postsecondary and employed, as well as the number of graduates employed and reported average wages.

The first section of this report presents Associate Degree and Certificate information by program for each individual institution. The second section of this report presents the same performance information by academic discipline/occupational program area. The third section of this report presents Short-Term Program Performance information by academic discipline/occupational program area.

Information presented in this report was compiled from data submitted to the Kansas Board of Regents from the individual postsecondary institutions and supplemented with data provided by the Kansas Department of Labor where available.

TABLE OF CONTENTS

INTRODUCTION

The Kansas Training Information Program (K-TIP) report includes data for all approved postsecondary career technical education programs offered by technical colleges, community colleges, and Washburn Institute of Technology. This information was compiled from data submitted to the Kansas Board of Regents by the individual institutions. Employment and wage information is reported for program graduates and those who have left public postsecondary education. Supplemental employment data provided by the Kansas Department of Labor has been included where available.

LIMITATION OF REPORT

The figures in this report should be considered as indicators and not as an absolute for placement and/or earnings for any given program. The salaries are averages; actual individual earnings may be lower or higher than those published in this document. The number of responses in a given occupation and institution may be too low to draw any statistical inferences. Salary information may or may not have been available for all those reported as employed. Many other factors influence actual annual earnings; for example, average earnings will likely vary from one region to another within the state. In addition, some former students could be self-employed in established, successful businesses.

TERMS USED IN THIS REPORT

Specific terms/labels used in the report are defined as follows:

Academic Discipline - is an organizing tool based on occupational/career areas that include multiple career pathways and occupational specialties. The career clusters initially developed by the States Career Cluster Initiative (SCCI) include the following: Agriculture, Food & Natural Resources, Architecture & Construction, Arts, A/V Technology & Communications, Business Management & Administration, Education & Training, Finance, Health Science, Hospitality & Tourism, Human Services, Information Technology, Law, Public Safety, Corrections, & Security, Manufacturing, Marketing, and Transportation, Distribution & Logistics. Additional information regarding career clusters can be found at www.careerclusters.org.

Program Name - refers to the name of the specific career technical program at each institution.

Awards Levels

    Associate/Certificate - include programs at the following award levels:
    Associate of Applied Science Degree
    CERTC - Technical Certificate from 45 to 59 credit hours in length
    CERTB - Technical Certificate from 30 to 44 credit hours in length
    CERTA - Technical Certificate from 16 to 29 credit hours in length

    Short-Term - includes only programs which are:
- documented in KHEDS Program Inventory,
- less than 16 credit hours in length, and
- for which an industry recognized credential has been identified.

CIP Code - refers to the Classification on Instructional Program code which is a taxonomic scheme developed by the National Center for Educational Statistics that supports the accurate tracking and reporting of fields of study and program completions activity. Associated with each CIP code is a corresponding title and description of the program of study. Additional information regarding CIP codes can be found at http://nces.ed.gov/ipeds/cipcode/resources.aspx?y=55.

Total # Declared Majors - represents the number of students who were reported as declared majors for career technical education within the corresponding program during the reporting year (July 1, 2013 to June 30, 2014).

Total # Concentrators - represents the number of students identified as technical program majors who have completed at least 12 credit hours of technical coursework in the same program area.

Total # Graduates
- **For individual institution and academic discipline pages -** represents the number of students who completed a career technical education program and earned an associate degree or technical certificate.
- **For short-term academic discipline pages -** represents the number of students who completed a short-term career technical education program.

Total # Pursuing Additional Education - represents the number of students within the declared majors who:
- subsequently returned to the same postsecondary institution; or
- transferred to another public postsecondary educational institution in Kansas to pursue additional/advanced education or training the following school year.

This number also includes program graduates who returned to pursue additional education/training the following school year.

Total # Concentrators Exiting and Employed - represents the number of concentrators with declared majors in each program area who:
- left public postsecondary education in Kansas, (non-graduates ONLY); and
- were determined to be employed (in military service, apprenticeships, or employed in the workforce by the end of the 2nd quarter following the end of the academic year.

Program graduates returning to public postsecondary education in Kansas are not included in this number.

Total # Graduates Exiting and Employed - represents the number of students with declared majors who:
- completed a career technical education program and earned an associate degree, technical certificate or completed an identified short-term technical program during the reporting year; and
- left public postsecondary education; and
- were determined to be employed (in military service, apprenticeships, or employed in the workforce) by the end of the 2nd quarter following the end of the academic year.

Program graduates returning to public postsecondary education in Kansas are not included in this number.

Average Wage Graduates Exiting and Employed - represents the average earnings of program graduates within the declared majors who:
- left public postsecondary education; and
- were determined to be employed by the end of the 2nd quarter following the end of the academic year; and
- for which salary information was available.

Wages are calculated on an annual basis as reported by students during the follow-up surveys conducted by the institution and/or reported through a review of the unemployment insurance files provided by the Kansas Department of Labor as available.

The table below represents the total number of students reported as enrolled in technical courses at each institution for Academic Year 2014.

Institution	Total # Students Enrolled in Technical Courses
Allen Community College	2,247
Barton Community College	4,859
Butler Community College	5,576
Cloud County Community College	2,126
Coffeyville Community College	1,386
Colby Community College	1,089
Cowley Community College	3,154
Dodge City Community College	1,546
Flint Hills Technical College	988
Fort Scott Community College	2,213
Garden City Community College	2,123
Highland Community College	2,431
Hutchinson Community College	6,687
Independence Community College	860
Johnson County Community College	14,245
Kansas City Kansas Community College	7,073
Labette Community College	1,537
Manhattan Area Technical College	1,079
Neosho County Community College	2,362
North Central Kansas Technical College	1,046
Northwest Kansas Technical College	596
Pratt Community College	1,608
Salina Area Technical College	766
Seward County Community College/Area Technical School	1,489
Washburn Institute of Technology	2,085
Wichita Area Technical College	4,364
Grand Total	**75,535**

Chart Legend:

1. NR = No values were reported.

2. * = small cell suppression used to protect student privacy in accordance with FERPA and HEOA guidelines.

3. ASSOC/CERT = Associate and Technical Certificate Programs.

4. Short-Term = Short-Term Program Performance.

ACADEMIC YEAR 2014 Totals by Academic Discipline

JOB PLACEMENT AND EARNINGS

The data presented on the following chart summarizes the number of enrolled program majors and concentrators, number of graduates, number of students returning to pursue additional education/training, number and salaries of employed program graduates, and the number of concentrators who left postsecondary education and are employed within each Academic Discipline/Program Area.

Academic Discipline	Award	Total # Declared Majors	Total # Concentrators	Total # Graduates	Total # Pursuing Additional Education	Total # Concentrators Exiting & Employed	Total # Graduates Exiting & Employed	Average Wage: Graduates Exiting & Employed
