

K-TIP

Kansas Training Information Program

2016

Academic Year

Career Technical Education

August, 2016

Kansas Board of Regents

Blake Flanders, President & CEO

FORWARD

This report was prepared in response to K.S.A. 72-4451, which establishes the Kansas Training Information Program (K-TIP). Information included in this report includes: number of career technical program majors enrolled and program concentrators, program graduates, students pursuing additional education/training, concentrators exiting postsecondary and employed, as well as the number of graduates employed and reported average and median wages.

The first section of this report presents Associate Degree and Certificate information by program for each individual institution. The second section of this report presents the same performance information by academic discipline/occupational program area. The third section of this report presents Short-Term Program Performance information by academic discipline/occupational program area.

Information presented in this report was compiled from data submitted to the Kansas Board of Regents from the individual postsecondary institutions and supplemented with data provided by the Kansas Department of Labor where available.

This page is intentionally blank

TABLE OF CONTENTS

Introduction	i-v
<u>Program Performance by Institution</u>	
Allen Community College, Iola	1
Barton Community College, Great Bend.....	2-3
Butler Community College, El Dorado.....	4-5

Transportation, Distribution and Logistics	78-80
<u>Program Performance by Short-Term Program</u>	
Short-Term Program Performance by Career Cluster/Academic Discipline	81-90

INTRODUCTION

The Kansas Training Information Program (K-TIP) report includes data for all approved postsecondary career technical education programs offered by technical colleges, community colleges, and the Washburn Institute of Technology. This information was compiled from data submitted to the Kansas Board of Regents by the individual institutions. Employment and wage information is reported for program graduates who have left public postsecondary education. Supplemental employment data provided by the Kansas Department of Labor has been included where available.

LIMITATION OF REPORT

The figures in this report should be considered as indicators and not as absolutes for placement and/or earnings for any given program. Average salaries and median wages are reported; actual individual earnings may be lower or higher than those published in this document. The number of responses in a given occupation and institution may be too low to draw any statistical inferences. Salary information may or may not have been available for all those reported as employed. Many other factors influence actual annual earnings, for example; average earnings will likely vary from one region to another within the state. In addition, some former students could be self-employed in established, successful businesses.

TERMS USED IN THIS REPORT

Specific terms/labels used in the report are defined as follows:

Academic Discipline - is an organizing tool based on occupational/career areas that include multiple career pathways and occupational specialties. The career clusters initially developed by the States Career Cluster Initiative (SCCI) include the following: Agriculture, Food and Natural Resources; Architecture and Construction; Arts, A/V Technology and Communications; Business Management and Administration; Education and Training; Finance; Health Science; Hospitality and Tourism; Human Services; Information Technology; Law, Public Safety, Corrections, and Security; Manufacturing; Marketing; and Transportation, Distribution and Logistics. Additional information regarding career clusters can be found at www.careerclusters.org.

Program Name - refers to the title of the specific career technical program at each institution. Program titles reflect the standard titles used by the National Center for Educational Statistics corresponding to CIP Codes.

Award Levels

Associate/Certificate - include programs at the following award levels:

Associate of Applied Science Degree

CERTC - Technical Certificate from 45 to 59 credit hours in length

CERTB - Technical Certificate from 30 to 44 credit hours in length

CERTA - Technical Certificate from 16 to 29 credit hours in length

Short-Term - includes only programs which are:

- documented in KHEDS Program Inventory,
- less than 16 credit hours in length, and
- for which an industry-recognized credential has been identified.

CIP Code - refers to the Classification on Instructional Program code which is a taxonomic scheme developed by the National Center for Educational Statistics that supports the accurate tracking and reporting of fields of study and program completions activity. Associated with each CIP code is a corresponding title and description of the program of study. Additional information regarding CIP codes can be found at <http://nces.ed.gov/ipeds/cipcode/resources.aspx?y=55>.

Total # Declared Majors - represents the number of students who were reported as declared majors for career technical education within the corresponding program during the reporting year (July 1, 2015 to June 30, 2016).

Total # Concentrators - represents the number of students identified as technical program majors who have completed at least 12 credit hours of technical coursework in the same program area.

Total # Graduates

- **For individual institution and academic discipline pages** - represents the number of students who completed a career technical education program and earned an associate degree or technical certificate.
- **For short-term academic discipline pages** - represents the number of students who completed a short-term career technical education program.

Total # Pursuing Additional Education - represents the number of students within the declared majors in each program area who:

- subsequently returned to the same postsecondary institution; or
- transferred to another public postsecondary educational institution in Kansas to pursue additional/advanced education or training the following school year.

This number also includes program graduates who returned to pursue additional education/training the following school year.

Total # Concentrators Exiting and Employed - represents the number of concentrators with declared majors in each program area who:

- left public postsecondary education in Kansas, (non-graduates ONLY); and
- were determined to be employed (in military service, apprenticeships, or employed in the workforce by the end of the 2nd quarter following the end of the academic year.

Program graduates returning to public postsecondary education in Kansas are not included in this number.

Total # Graduates Exiting and Employed - represents the number of students with declared majors in each program area who:

- completed a career technical education program and earned an associate degree, technical certificate or completed an identified short-term technical program during the reporting year; and
- left public postsecondary education; and
- were determined to be employed (in military service, apprenticeships, or employed in the workforce) by the end of the 2nd quarter following the end of the academic year.

Program graduates returning to public postsecondary education in Kansas are not included in this number.

Average Wage and Median Wage: Graduates Exiting and Employed - represents the earnings of program graduates within the declared majors who:

- left public postsecondary education; and
- were determined to be employed by the end of the 2nd quarter following the end of the academic year; and
- for which salary information was available.

Wages are calculated on an annual basis as reported by students during the follow-up surveys conducted by the institution and/or reported through a review of the unemployment insurance files provided by the Kansas Department of Labor as available.

The following table represents the total number of students reported as enrolled in technical courses at each institution for Academic Year 2016.

Institution	Total # Students Enrolled in Technical Courses
Allen Community College	1,284
Barton Community College	2,990
Butler Community College	4,115
Cloud County Community College	1,132
Coffeyville Community College	974
Colby Community College	1,026
Cowley Community College	1,847
Dodge City Community College	1,120
Flint Hills Technical College	1,051
Fort Scott Community College	1,626
Garden City Community College	924
Highland Community College	1,633
Hutchinson Community College	5,112
Independence Community College	462
Johnson County Community College	11,713
Kansas City Kansas Community College	5,353
Labette Community College	1,021
Manhattan Area Technical College	1,046
Neosho County Community College	1,642
North Central Kansas Technical College	829
Northwest Kansas Technical College	640
Pratt Community College	662
Salina Area Technical College	678
Seward County Community College	1,394
Washburn University Institute of Technology	2,196
Wichita Area Technical College	3,750
Grand Total	56,220

Chart Legend:

1. NR = No values were reported.
2. * = Small cell suppression used to protect student privacy in accordance with FERPA and HEOA guidelines.
3. ASSOC/CERT = Associate and Technical Certificate Programs
4. Short-Term = Short-Term Program Performance

Academic Year 2016 Totals by Academic Discipline

JOB PLACEMENT AND EARNINGS

The data presented on the following chart summarizes the number of enrolled program majors and concentrators, number of graduates, number of students returning to pursue additional education/training, number of concentrators who left postsecondary education and are employed, and the number and salaries (average and median) of employed program graduates within each Academic Discipline/Program Area.

Academic Discipline	Award	Total # Declared Majors	Total # Concentrators	Total # Pursuing Additional Education	Total # Graduates	Total # Graduates Exited	Total # Graduates Exited and Employed	Average Wage: Graduates Exited and Employed	Median Wage: Graduates Exited and Employed
