

Kansas Training Information Program

Career Technical Education

Academic Year 2011

Kansas Board of Regents

Andy Tompkins, President & CEO

FORWARD

This report was prepared in response to K.S.A. 72-4451, which establishes the Kansas Training Information Program (K-TIP). Information included in this report includes: number of career technical program majors enrolled and program concentrators, program graduates, students pursuing additional education/training, graduates employed and average wages, as well as the number and average wages of students who left public postsecondary education in Kansas (including both graduates and non-graduates).

The first section of this report presents this information by program for each individual institution. The second section of this report presents the same performance information by grouped academic discipline/occupational program area.

Information presented in this report was compiled from data submitted to the Kansas Board of Regents from the individual postsecondary institutions and supplemented with data provided by the Kansas Department of Labor where available.

This page is intentionally blank

TABLE OF CONTENTS

Introduction	iii-vii
 <u>Program Performance by Institution</u>	
Allen County Community College, Iola	1
Barton County Community College, Great Bend	2-3
Butler Community College, El Dorado	4-5
Cloud County Community College, Concordia	6
Coffeyville Community College, Coffeyville	7
Colby Community College, Colby	8-9
Cowley County Community College, Arkansas City	10-11
Dodge City Community College, Dodge City	12-13
Flint Hills Technical College, Emporia	14-15
Fort Scott Community College, Fort Scott	16
Garden City Community College, Garden City	17
Highland Community College, Highland	18-19
Hutchinson Community College, Hutchinson	20-21
Independence Community College, Independence	22-23
Johnson County Community College, Overland Park	24-26
Kansas City, Kansas Community College, Kansas City	27-28
Labette Community College, Parsons	29
Manhattan Area Technical College, Manhattan	30
Neosho County Community College, Chanute	31
North Central Kansas Technical College, Beloit	32-33
Northwest Kansas Technical College, Goodland	34
Pratt Community College, Pratt	35
Salina Area Technical College, Salina	36
Seward County Community College, Liberal	37-38
Washburn Institute of Technology, Topeka	39-40
Wichita Area Technical College, Wichita	41-42
 <u>Program Performance by Career Cluster/Academic Discipline</u>	
Agriculture, Food and Natural Resources	43-44
Architecture and Construction	45-47
Arts, A/V Technology, and Communications	48-49
Business Management & Administration	50-52
Education and Training	53
Finance	54
Health Sciences	55-63
Hospitality and Tourism	64
Human Services	65-66
Information Technology	67-69
Law, Public Safety, Corrections & Security	70-71
Manufacturing	72-74
Marketing	75
Transportation, Distribution and Logistics	76-78

INTRODUCTION

The Kansas Training Information Program (KTIP) report includes data for all approved postsecondary career technical education programs offered by technical colleges, community colleges, and Washburn Institute of Technology. This information was compiled from data submitted to the Kansas Board of Regents by the individual institutions. Employment and wage information is reported for program graduates and those who have left public postsecondary education. Supplemental employment data provided by the Kansas Department of Labor has been included as available.

LIMITATION OF REPORT

The figures in this report should be considered as indicators and not as an absolute for placement and/or earnings for any given program. The salaries are averages; actual individual earnings may be lower or higher than those published in this document. The number of responses in a given occupation and institution may be too low to draw any statistical inferences. Salary information may or may not have been available for all those reported as employed. Many other factors influence actual annual earnings; for example, average earnings will likely vary from one region to another within the state. In addition, some former students could be self-employed in established, successful businesses.

TERMS USED IN THIS REPORT

Specific terms/labels used in the report are defined as follows:

Academic Discipline—is an organizing tool based on occupational/career areas that include multiple career pathways and occupational specialties. The career clusters initially developed by the States Career Cluster Initiative (SCCI) include the following: Agriculture, Food & Natural Resources, Architecture & Construction, Arts, A/V Technology & Communications, Business Management & Administration, Education & Training, Finance, Health Science, Hospitality and Tourism, Human Services, Information Technology, Law, Public Safety, Corrections, & Security, Manufacturing, Marketing, and Transportation, Distribution & Logistics. Additional information regarding career clusters can be found at www.careerclusters.org.

Program Name—refers to the name of the specific career technical program at each institution.

Awards Levels

Associate/Certificate—include programs at the following award levels:

Associate of Applied Science Degree

CERTC—Technical Certificate from 45 to 59 credit hours in length

CERTB—Technical Certificate from 30 to 44 credit hours in length

CERTA—Technical Certificate from 16 to 29 credit hours in length

Short-Term Training—include only programs at the Certificate of Completion award level (less than 16 credit hours in length)

CIP Code—refers to the Classification on Instructional Program code which is a taxonomic scheme developed by the National Center for Educational Statistics that supports the accurate tracking and reporting of fields of study and program completions activity. Associated with each CIP code is a corresponding title and description of the program of study. Additional information regarding CIP codes can be found at <http://nces.ed.gov/ipeds/cipcode/resources.aspx?y=55>.

Total # Students—represents the number of students who were reported as enrolled in a career technical education course during the reporting year (July 1, 2010 to June 30, 2011).

Total # Concentrators—represents the number of students identified as technical program majors who have completed at least 12 credit hours of technical coursework in the same program area.

Total All Graduates—represents the number of students who completed a career technical education program and earned an associate degree, technical certificate or a certification of completion during the reporting year.

Total AAS Graduates—represents the number of students who completed a career technical education program and earned an associate of applied science degree during the reporting year.

Total # Pursuing Additional Education—represents the number of postsecondary students who subsequently returned to the same postsecondary institution or transferred to another public postsecondary educational institution in Kansas to pursue additional/advanced education or training the following school year. This number also includes program graduates who returned to pursue additional education/training the following school year.

Total # Graduates Employed—represents the number of students who completed a career technical education program; earned an associate degree, technical certificate or a certification of completion during the reporting year; left public postsecondary education; and were determined to be employed (in military service, apprenticeships, or employed in the workforce) by the end of the 2nd quarter following the end of the academic year. Program graduates returning to public postsecondary education in Kansas are not included in this number.

Average Wage Graduates—represents the average earnings of program graduates who left public postsecondary education, were determined to be employed by the end of the 2nd quarter following the end of the academic year and for which salary information was available. Wage calculations are on an annual basis as reported by students during the follow-up surveys conducted by the institution and/or reported through a review of the unemployment insurance files provided by the Kansas Department of Labor as available.

Total # Employed—represents the number of students in each program area who left public postsecondary education in Kansas (both graduates and non-graduates) and were determined to be employed (in military service, apprenticeships, or employed in the workforce by the end of the 2nd quarter following the end of the academic year. Program graduates returning to public postsecondary education in Kansas are not included in this number.

Average Wage All Employed—represents the average earnings for students who left public postsecondary education (both graduates and non-graduates, were determined to be employed by the end of the 2nd quarter following the end of the academic year and for which salary information was available. Wage calculations are on an annual basis as reported by students during the follow-up surveys conducted by the institution and/or reported through a review of the unemployment insurance files provided by the Kansas Department of Labor as available.

Chart Legend:

1. NR = No values were reported.
2. * = small cell suppression used to protect student privacy in accordance with FERPA and HEOA guidelines.
3. ASSOC/CERT = Associate and Technical Certificate Programs.
4. Short-Term = Short-Term Training Programs.
5. Programs in the Science, Technology, and Engineering category are assimilated into other academic disciplines in 2011.

ACADEMIC YEAR 2011

JOB PLACEMENT AND EARNINGS

The data presented on the following chart summarizes the number enrolled program majors and concentrators, number of graduates, number of students returning to pursue additional education/training, number and salaries of employed program graduates, and the number and salaries of those employed and who left postsecondary education each Academic Discipline/Program Area.

Academic Discipline	Award	Total # Students	Total # Concentrators	Total # All Graduates	Total # AAS Graduates	Total # Pursuing Additional Education	Total # Graduated Employed	Average Salary Graduates Only	Total # Employed	Average Salary All Employed
