## BOARD OF REGENTS ANNOUNCES 2008 SPRING ENROLLMENT

### *State University Enrollment Increases by 913 Students*

(TOPEKA) – Enrollment figures released today by the Kansas Board of Regents show an increase of 913 students at the six state universities. This represents a 1.1% increase for the 2008 spring semester over the 2007 spring semester. The state's six universities reported a combined enrollment of 83,701 students as of the 20<sup>th</sup> day of classes.

*Please see the data table on page 2 for individual university enrollment figures.*

The nine-member Kansas Board of Regents is the governing board of the state's six universities and a coordinating board for nineteen community colleges, ten technical institutions, and a municipal university. In addition, the Board administers the state's student financial aid, adult education, GED, and career and technical education programs. The Board also authorizes private proprietary schools and out-of-state institutions to operate in Kansas, and administers the Kan-ed network, a statewide network that provides broadband Internet access and distance learning capabilities for schools, hospitals, and libraries.
