Kansas Board of Regents
Building a Future for Kansas Families, Businesses and the Economy

Data Collections

The presentation today is made possible by the staff at the institutions who submit their data to the Data, Research and Planning team within the Board of Regents.

Using this information, we develop products such as DegreeStats, the Military Portal, the databooks, and the KHEStats online reporting tool, which is referenced throughout this presentation.

Many thanks to all the staff involved with the data collections.
