

# KANSAS SYSTEMWIDE TRANSFER APPEAL PROCESS

## Conditions of Appeal

The Kansas Board of Regents established a Transfer and Articulation Council (TAAC) in 2011, to provide oversight and implementation of the Board's transfer and articulation policy. TAAC's mission is to create structures and processes that facilitate student transfer and degree completion within Kansas higher education, while assuring quality and adherence to the agreed-upon learning outcomes of systemwide courses. A systemwide appeal process ensures equitable resolution of transfer concerns between institutions, and institutional appeal processes ensure students a clear path for petitioning disputes regarding transfer decisions on individual campuses. Cases may be appealed in which institutions are unable to resolve disagreements regarding transferring a course approved by the Kansas Board of Regents for systemwide transfer. In such cases, the sending institution may submit an appeal to the Kansas Board of Regents Vice President for Academic Affairs within 30 calendar days of notification of the transfer denial.

These conditions are required for systemwide appeals:

- 1. The course being appealed must have been approved for systemwide transfer,**
- 2. The parties must have exhausted the appeal processes at the institutional levels\* (refer to campus websites listed below containing campus-level appeal processes), and**
- 3. The sending institution can provide evidence that the decision made by the receiving institution was inconsistent with the Kansas systemwide transfer policy.**

To initiate the statewide appeal process, a written request must be submitted to the Kansas Board of Regents Vice President for Academic Affairs. Each request must include the following:

- Written documentation that the appeal processes and discussions for resolution have been exhausted at both the receiving and sending institutions;
- Supporting documents, which could include course descriptions, course syllabi, course objectives, learning outcomes, transcripts or other relevant information; and
- Rationale from the sending institution as to why the appeal should be supported.

## Appeal Procedures

1. Appeals must be submitted by the Chief Academic Officer or designee of the sending institution to the Kansas Board of Regents Vice President for Academic Affairs, who will refer the appeal to the Chair of the Quality Assurance Subcommittee of TAAC.
2. The Quality Assurance Subcommittee will review arguments and evidence presented in the appeal at the next regularly scheduled meeting and make a recommendation to the full TAAC either to:
  - a. Uphold the receiving institution's decision to deny the transfer credit in question; or
  - b. Require the acceptance of the transfer credit in question by the receiving institution.
3. TAAC then reviews the recommendation of the Quality Assurance Subcommittee and makes a decision to approve or deny the appeal; TAAC will inform all parties involved within two weeks of its decision.
  - a. If the receiving institution accepts the decision of TAAC, the process ends; or
  - b. If the receiving institution disagrees with the decision of TAAC, the Chief Academic Officer or designee can appeal to the Kansas Board of Regents President/CEO, or designee.
4. The President/CEO, or designee, will convene an *ad hoc* Appeal Subcommittee composed of three members of TAAC, with one of the members being a Regent. No member of the subcommittee may be from an institution involved in the appeal. The President/CEO, or designee, and the *ad hoc* Appeal Subcommittee will review all documentation provided through the statewide appeal process, and will make a final determination, to either:
  - a. Uphold the decision of TAAC and require the receiving institution to abide by that decision; or
  - b. Overturn the decision of TAAC, in which the receiving institution is not required to implement the TAAC decision.
